### Screw Air Compressors - Alup Global

I purchased this compressor used (2005 model) not knowing if it works or not. When i powered it up,it will start for 2-3 seconds then shut down.it throws a fault code # 7 (rotation direction). there is an arrow embossed on housing indicating direction. the compressor is spinning in the correct direction.just to be on safe side i momentarily tried other direction, same code (#7).

### alup combi 2 15 hp with dryer - Air Compressor Guide
