Complete guide to Belize | Central America - Lonely Planet

There are few diving destinations in the world as magnetic as the Blue Hole on Belize's Lighthouse Reef. Seen from the air this deep-blue 300m-diameter watery pupil, rimmed by a shallower aquamarine iris, is the visual icon of diving in Belize. The descent into the sinkhole is relatively deep – up to 40m – and inky dark, despite the clarity of the water.

Belize: your guide to adventure activities - Lonely Planet

Start in Belize City but head straight to the water taxi terminal and book a ticket to laid-back Caye Caulker or more upbeat San Pedro on Ambergris Caye. Either place makes a good base for exploring the reef. After two or three days on the cays, return to Belize City and catch the bus straight to San Ignacio. This relaxed traveler town in Cayo District is the base for visiting Actun Tunichil Muknal cave, Caracol, Xunantunich, Barton Creek Cave and more.

The Belize guide was just updated this year, and I appreciated the current information...though it's a shame that there's not a good way for travelers like me to add information online or suggest additions for the next printing. Lonely Planet Belize is a well laid out, high quality guide that handles the rigors of travel and use.
