### Beyond The First Draft Art

In Beyond the First Draft he offers essential and original insights into the art of writing—and rewriting—fiction. Through anecdotes about other writers’ methods and habits (as well as his own) and close readings of literature from Aristotle to Zola, the essays in this collection offer “suggestions about things to do, things to think about when your writing has got you lost in the woods.”

### Beyond the First Draft: The Art of Fiction: Casey, John ...

These practical and provocative craft essays are the next best thing to being in a workshop with the brilliant writer and teacher John Casey...Personal, insightful, colorfully anecdotal, Beyond the First Draft is more than a writing handbook--it's a singular contribution to the conversation about how fiction is made and what it can do., John Casey is as wise about people--what we want, what we need, who we are, how we dream--as he is about the craft of writing: and that makes him an ...

### Beyond the First Draft: The Art of Fiction by John Casey ...

The blurb on the back and the jacket cover are simple praise and lauding the author's "National Book Award." But, that does little to help the potential reader/writer to understand what kind of book this is. The title hints more clearly, "Beyond the First Draft." This deals with the core of fiction. It is not a beginning writer's tutorial.
