Mahatma Gandhi: A Role Model in Revolutionary Management
Gandhi was formally associated with six journals-Indian Opinion, Young India, Navjivan, Harijan, Harijanbandhu and Harijansevak- and practiced what he believed in. There are lessons, which we can draw particularly with regard to problems pertaining to rising inequalities, unabashed consumerism, and struggles over retaining our secular fabric and consistent introspection and reflection on the profession itself.

Mahatma Gandhi and Journalism - The Hoot
In his Journal, NITI Aayog member Dr VK Paul said, "Mahatma Gandhi was a quintessential naturopath." 4- He was thinking of dissolving the Congress a day before his death A few days after his assassination, an article published as the last will and testament revealed that he wanted to disband the Congress, as it had outlived its use.

Manu Gandhi, M.K. Gandhi's grand-niece, joined him in 1943 at the age of fifteen. An aide to Gandhi's ailing wife Kasturba in the Aga Khan Palace prison in Pune, Manu remained with him until his assassination. She was a partner in his final yajna, an experiment in Brahmacharya, and his invocation of Rama at the moment of his death. Spanning two volumes, The Diary of Manu Gandhi is a record of her life and times with M.K. Gandhi between 1943 and 1948. Authenticated by Gandhi himself, the meticulous and intimate entries in the diary throw light on Gandhi's life as a prisoner and his endeavour to establish the possibility of collective non-violence. They also offer a glimpse into his ideological conflicts, his efforts to find his voice, and his lonely pilgrimage to Noakhali during the riots of 1946. The first volume (1943–44) chronicles the spiritual and educational pursuits of an adolescent woman who takes up writing as a mode of self-examination. The author shares a moving portrait of Kasturba Gandhi's illness and death and also unravels the deep emotional bond she develops with Gandhi, whom she calls her 'mother'.

This is a 120 pages lined notebook journal .Sized at 6 by 9 inches

6x9 inch notebook and journal |diary|doodle book |sketchbook 120 pages

"This book shows how Gandhi's early life in the law played a critical role in the subsequent evolution of his philosophy and theory of nonviolent civil disobedience. The author traces Gandhi's maturation from a tongue-tied novice to a competent professional, from civil rights lawyer to freedom fighter, finally integrating his principles of morality and spirituality into his political life"--Provided by publisher.

-Notebook for work, school or as a journal-Interior 120 lined pages-Size 6"x 9"-interior: white paper

"The Death and Afterlife of Mahatma Gandhi is an explosive and original analysis of the assassination of the 'Father of the Nation'. Who is responsible for the Mahatma's death? Just one determined zealot, the larger ideology that supported him, the Congress-led Government that failed to protect him, or a vast majority of Indians and their descendants who considered Gandhi irrelevant, and endorsed violence instead? Paranjape's meticulous study culminates in his reading of Gandhi's last six months in Delhi where, from the very edge of the grave, he wrought what was perhaps his greatest miracle – the saving of Delhi and thus of India itself from the internecine bloodshed of Partition. Paranjape, taking a cue from the Mahatma himself, also shows us a way to expiate our guilt and to heal the wounds of an ancient civilization torn into two. This is a brilliant, far-reaching and profound exploration of the meaning of the Mahatma's death."

Enjoy writing in this 6" x 9" lined journal that features a photo of yellow daffodils and an inspirational quote from Mahatma Gandhi on the front cover. With over 365 lined pages to keep track of 3 full years of memories, this journal can be used as either a diary, daily planner, dream journal, notebook, or be used to capture any other creative thoughts and ideas that you may have.
