Summary of Never Split the Difference by Chris Voss and Tahl Raz Includes Analysis Preview: Never Split the Difference by Chris Voss and Tahl Raz is a guide to using hostage negotiation techniques in business and personal negotiations. Modern negotiation strategies taught in business school usually center on classic texts that describe negotiation without factoring in emotions or irrational behavior. In reality, all negotiations involve emotional factors and illogical reactions. And in hostage scenarios, "splitting the difference" by accepting the release of half the hostages in exchange of partial fulfillment of demands is never a desired outcome. Hostage takers who feel heard are more likely to trust negotiators to be honest about what they want. Active listening involves mirroring the other person's speech, speaking in a way that sounds assertive but calming, and not saying anything at all for several seconds between utterances. This slows the conversation down and conveys the impression that the negotiator wishes to understand... PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book. Inside this Instaread Summary of Never Split the Difference by Chris Voss and Tahl Raz Includes Analysis Overview of the Book Important People Key Takeaways Analysis of Key Takeaways About the Author With Instaread, you can get the key takeaways, summary and analysis of a book in 15 minutes. We read every chapter, identify the key takeaways and analyze them for your convenience. Visit our website at instaread.co.

The controversial New York City police commissioner and New York Times bestselling author of The Lost Son shares the story of his fall from grace and the effects of his incarceration on his views of the American justice system. Bernard Kerik was New York City ' s police commissioner during the 9/11 attacks, and became an American hero as he led the NYPD through rescue and recovery efforts of the World Trade Center. His r é sum é as a public servant is long and storied, and includes receiving a Medal of Honor. In 2004, Kerik was nominated by George W. Bush to head the Department of Homeland Security. Now, he is a former Federal Prison Inmate known as #84888-054. Convicted of tax fraud and false statements in 2007, Kerik was sentenced to four years in federal prison. Now, for the first time, he talks candidly about what it was like on the inside: the torture of solitary confinement, the abuse of power, the mental and physical torment of being locked up in a cage, the powerlessness. With newfound perspective, Kerik makes a plea for change and illuminates why our punishment system doesn ' t always fit the crime. In this extraordinary memoir, Kerik reveals his unprecedented view of the American penal system from both sides: as the jailer and the jailed. With astonishing candor, bravery, and insider ' s intelligence, Bernard Kerik shares his fall from grace to incarceration, and turns it into a genuine and uniquely insightful argument for criminal justice reform.

This landmark book offers a truly integrated perspective for understanding the formation of Jewish and Palestinian Arab identities and relations in Palestine before 1948. Beginning with the late Ottoman period Mark LeVine explores the evolving history and geography of two cities: Jaffa, one of the oldest ports in the world, and Tel Aviv, which was born alongside Jaffa and by 1948 had annexed it as well as its surrounding Arab villages. Drawing from a wealth of untapped primary sources, including Ottoman records, Jaffa Shari'a court documents, town planning records, oral histories, and numerous Zionist and European archival sources, LeVine challenges nationalist historiographies of Jaffa and Tel Aviv, revealing the manifold interactions of the Jewish and Palestinian Arab communities that lived there. At the center of the book is a discussion of how Tel Aviv's self-definition as the epitome of modernity affected its and Jaffa's development and Jaffa's own modern pretenses as well. As he unravels this dynamic, LeVine provides new insights into how popular cultures and public spheres evolved in this intersection of colonial, modern, and urban space. He concludes with a provocative discussion of how these discourses affected the development of today's unified city of Tel Aviv – Yafo and, through it, Israeli and Palestinian identities within in and outside historical Palestine.

Fiona is the creator of fashion doll sensation Kimberley, and is quite satisfied with her career-focused life. Yet when her boss informs her that she must win over a new account by going camping with the creator of a hit children’s TV show, she is extremely reluctant. Nevertheless, she goes to Florida to meet Roy and his Guide Ace Montgomery. When Roy is found dead with Fiona holding the bloody knife, she becomes the prime suspect - though she has no recollection of what happened. Things get worse when she learns that Roy, until now a stranger to her, left her all the proceeds from his new TV show, giving her a strong motive for murder. Suddenly, she and Ace find themselves on the run, and being condemned by the press for murder. They must prove their innocence by discovering the true motive and murderer of Roy. Fiona and Ace figure out they are linked through her father, and it is then that Fiona learns the secrets of her family’s past, turning her world upside down.

There's nowhere left to hide. Ithought vampires were our enemies—they controlled our lives, isolated our cities, and demanded our blood—until I met Victor. With Victor taking over as the new Lord Valentine, things were supposed to get better. Instead, they're worse than ever. Day Walkers, a new breed of vampires who can walk in the sun, are terrorizing the city. Blood supplies are low, and if Victor's vampires don't get enough, they will become infected with the Thirst—a disease that will turn them into mindless killers. To stop it, I must journey across the desolate wasteland to the very place where the sickness began. I can only hope that the answers that await me are enough to save us all . . . before it's too late.

He needs a wife for three weeks... Owen Phipps is out for revenge. His mission? To expose the man who stole his sister's money and dignity. All he needs is a "wife" who can play along. Too bad his last best hope is an actress who tries to mace him with perfume when he offers her the role of a lifetime. Lindy Knight is a real sap. She loves too hard, feels too deep, and often finds herself saying yes when she should be saying "Let me think about it." She can't believe her good fortune when Owen offers her more than enough money to hold off foreclosure until she can find a job. Three weeks at a resort, money she desperately needs, and she gets to help bring a criminal to justice? Score. It seems easy enough until a couples bonding game turns intimate, and they realize how dangerous their mutual attraction could be. Can they keep their hands to themselves long enough to find the evidence Owen needs? Or are the close quarters more temptation than they can handle? Each book in the Guardian for Hire series is a standalone story that can be enjoyed out of order. Series Order: Book #1 Wife for Hire Book #2 Guardian for Hire

A grisly murder reveals the hateful secrets that lie beneath a small town ' s surface The locals call her the Ballou. An illustrator for a high-fashion magazine, she has been the talk of the upstate town of Sutton ever since she first appeared, paying cash for one of the finest houses on Nicholas Street. Daring, gaudy, and grand, she inspires envy in the women and lust in the men. And in one member of this quiet town, she is about to inspire murder. The trouble starts when her rakish New York lover moves in full time, scandalizing the prudish Ayers family next door. When the Ayers ' maid pays a social call to the Ballou, she finds her lying dead at the foot of a staircase—gray, cold, and fabulous no more. Suspicion falls on the Ayerses, whose starched exterior hides a wealth of ugly secrets. From this interlocking narrative told from the perspectives of the citizens of Sutton comes a reminder that no town is too small for murder.

Proven business strategies for operating a profitable and efficient construction firm Written by a successful management researcher, advisor, and educator to construction contractors, The Construction MBA reveals effective operating practices for managing the multiple processes that must work simultaneously to make a construction firm consistently profitable. The methods in the book apply to both general and specialty contracting firms and describe how to grow both the top line and bottom line. This strategic resource explains how to integrate metrics into your business model that allow you to identify and react to critical trends. You'll learn ways to gain the competitive edge by adopting superior processes, speeding up your business cycle, and maximizing client satisfaction. Tips for positioning your firm on the "sweet spot" of the risk-reward curve are also included. Realworld case studies demonstrate the concepts presented in this practical guide. In addition, eight legendary management books are reviewed and their lessons are applied to the construction contracting business. The Construction MBA covers: The new business model Corporate objectives and strategies Work acquisition Operations management Human resources Financial management Technology Good operating practices
