food and lifestyle.

Once upon a time, salad was
iceberg lettuce with a few
shredded carrots and a

Online Library Dining In

cucumber slice, if you were lucky. A vegetable side was potatoes—would you like those baked, mashed, or au gratin? A nice anniversary dinner? Would you rather visit the Holiday Inn or the Regency Inn? In Grand Forks,

Online Library Dining In

North Dakota, a small town
where professors moonlight
as farmers, farmers
moonlight as football
coaches, and everyone loves
hockey, one woman has had
the answers for more than
twenty-five years: Marilyn

Online Library Dining In

Hagerty. In her weekly Eatbeat column in the local paper, Marilyn gives the denizens of Grand Forks the straight scoop on everything from the best blue plate specials—beef stroganoff at the Pantry—to the choicest

Online Library Dining In

truck stops—the Big Sioux (and its lutefisk lunch special)—to the ambience of the town's first Taco Bell. Her verdict? "A cool pastel oasis on a hot day." No-nonsense but wry, earnest but self-aware, Eatbeat also

Online Library Dining In

encourages the best in its readers—reminding them to tip well and why—and serves as its own kind of down-home social register, peopled with stories of ex-postal workers turned café owners and prom queen waitresses.

Online Library Dining In

Filled with reviews of the mom-and-pop diners that eventually gave way to fast-food joints and the Norwegian specialties that finally faded away in the face of the Olive Garden's endless breadsticks, Grand

Online Library Dining In

Forks is more than just a loving look at the shifts in American dining in the last years of the twentieth century—it is also a surprisingly moving and hilarious portrait of the quintessential American

Online Library Dining In

town, one we all recognize in our hearts regardless of where we're from.

The Rise and Fall of the World's Most Powerful Restaurant Critic and His Battle with Severe,

Page 59/97

Online Library Dining In

Debilitating Depression From the early 1980s to the mid-1990s, Bryan Miller was a household name among restaurant goers in the greater New York City area and beyond as the restaurant critic for the New York

Online Library Dining In

Times, as well as the author of numerous books, a public speaker, and a radio and television commentator. Over ten years as a columnist, he dined out more than five thousand times in the United States and abroad, from

Online Library Dining In

haute to humble. The Wine Spectator, in a front-page profile, declared Miller "the most powerful restaurant critic in America." And for much of that time, he wanted to die.

Dining in the Dark

Online Library Dining In

chronicles Miller's battle with Bipolar II disorder, also known as depression, which ruined his life, professionally and personally. Depression was directly responsible for his surrendering the New York

Online Library Dining In

Times restaurant column and, shortly thereafter, leaving the paper altogether.

Everything he had worked for so diligently, rising from cub reporter to big-city columnist in less than a decade, vanished. In the

Online Library Dining In

ensuing years, unable to work, he lost his home, his life savings, two wonderful wives, the chance to have a family, and numerous friends and colleagues. He became increasingly reclusive; like many victims of serious

Online Library Dining In

depression, he reached the point where he was afraid to answer the phone. Pile on a brain tumor, electroshock therapy, a near-fatal bout with Lyme disease, accidental drug overdoses (he was once carried out of

Online Library Dining In

the newsroom on a gurney), and you have a life in shambles. Dining in the Dark tells the story of Miller's battle, but it also brings hope by sharing his journey to coping with, and finally conquering, his depression.

Online Library Dining In

The coping mechanisms he employed in order to get through the day will be of benefit to those in need of a helping hand. Dining in the Dark is philosophical, inspirational, educational, and even humorous at times.

Online Library Dining In

And, of course, there are lots of inside-the-New York Times anecdotes, as well as lots of food, wine, travel, and celebrity.

An investigation of the role of the feast as a cultural

Online Library Dining In

focus for the classical
world

You are invited to dine at
the Texas Governor's
Mansion, to be the guest of
the first ladies and two
women governors of the Lone

Online Library Dining In

Star State, as they offer (through author Carl McQueary) some of their finest recipes and favorite stories of life in the heart of Austin. The ingredients in Dining at the Governor's Mansion include one part

Online Library Dining In

culinary history and one part social history, along with a generous helping of recipes cooked by Texas first ladies, or (in later years) their personal chefs, from the completion of the Austin mansion in 1856 down

Online Library Dining In

to the present. Carl McQueary's folksy cookbook offers a look at food and its preparation, entertaining at the Mansion, and the challenges the women faced keeping the old home together. It includes brief

Online Library Dining In

biographical sketches of the first ladies, who usually orchestrated food service for both family meals and social or political events, and considerable background on the mansion's infrastructure challenges,

Online Library Dining In

interior decoration,
landscaping, and
restoration. The book also
provides an intimate
portrait of Texas life
during the last century and
a half, since the trends in
food enjoyed by the

Online Library Dining In

governors and their families, especially in their private lives, have been surprisingly similar to those enjoyed by even the humblest of Texas citizens. Most of all, it presents dozens of tasty, appetizing,

Online Library Dining In

historic recipes tested by McQueary in his own kitchen and annotated for the contemporary cook. No matter how you slice it up—as Texas history, food history, women's history, or cookbook—Dining at the

Online Library Dining In

Governor's Mansion offers a palate-pleasing smorgasbord for your reading, dining, or gift-giving pleasure.

featuring “drool-worthy yet decidedly unfussy food” (Goop) that set today’s trends and is fast becoming a modern classic. “This is not a cookbook. It’s a treasure map.”—Samin Nosrat, author of *Salt, Fat, Acid,*

Online Library Dining In

Heat NAMED ONE OF THE BEST
COOKBOOKS OF THE YEAR BY San
Francisco Chronicle • NPR •
Epicurious • Newsday •
KCRW's Good Food • The Fader
• American Express
Essentials Alison Roman's
Salted Butter and Chocolate

Online Library Dining In

Chunk Shortbread made her Instagram-famous. But all of the recipes in Dining In have one thing in common: they make even the most oven-phobic or restaurant-crazed person want to stay home and cook. They prove that casual

Online Library Dining In

doesn't have to mean boring, simple doesn't have to be uninspired, and that more steps or ingredients don't always translate to a better plate of food. Vegetable-forward but with an affinity for a mean steak and a deep

Online Library Dining In

regard for fresh fish,
Dining In is all about
building flavor and saving
time. Alison's ingenuity
seduces seasoned cooks,
while her warm, edgy writing
makes these recipes
practical and approachable

Online Library Dining In

enough for the novice. With 125 recipes for effortlessly chic dishes that are full of quick-trick techniques (think slathering roast chicken in anchovy butter, roasting citrus to ramp up the flavor, and keeping

Online Library Dining In

boiled potatoes in the fridge for instant crispy smashed potatoes), she proves that dining in brings you just as much joy as eating out. Praise for Dining In "Sorry, restaurants. Superstar

Online Library Dining In

Alison Roman has given us recipes so delicious, so meltdown-proof—and so fun to read—we're going to be cooking at home for a while. Quite possibly forever."—Christine Muhlke, editor at large, *Bon Appétit*

Online Library Dining In

"Anyone who wants the aesthetic, quality, and creativity of a Brooklyn restaurant without having to go to a Brooklyn restaurant will love Alison Roman's cookbook. It's filled with recipes that are both unique

Online Library Dining In

and approachable. Reading it, you'll find yourself thinking 'I would have never thought of making this but I want to make it right now.'"—BuzzFeed "Dining In is exactly how I want to cook: with bright, fresh

Online Library Dining In

flavors, minimal technique, and no pretense. This isn't just a bunch of great recipes, but a manifesto on how one original, opinionated home cook sees the world."—Amanda Hesser, co-founder, Food52
