In Drawing Near, John Bevere invites readers to explore a life of intimacy with God. Emphasizing the need for obedience, he urges us to practice-just as we would practice anything we hope to improve-our communication with the Holy Spirit. Understanding that prayer is a dialogue, not a monologue, Bevere encourages us to listen at the Father's feet. Study questions in each chapter offer opportunity for reflection, and a "How to draw near to God" section offers practical steps toward developing true intimacy with Him.

Intended for college and seminary courses on spiritual formation, the workbook consists of twelve chapters with three parts each: believing, behaving, and becoming (that is, what virtues to possess). Thus, the thirty-six lessons are holistic, showing that the process of becoming like Christ involves our entire being.

About the author: He is married and he and his wife have 12 children. They home school and he pastors a church plant called Living Water Community Church located in northern California. Argyl is available for seminars and speaking engagements on a limited basis. He can be reached at Argyl@GodFocusedLife.org.

Suitable for primary school students, this series brings together and explains the story and meaning of the Bible, unfolding God's eternal plan and purposes from creation to Christ. Key Bible passages, illuminating questions and an extensive variety of supporting activities challenge students to grow in their understanding of God, themselves and the world around them. Students are nurtured in their faith as they respond to and apply the Bible's teaching and live each day as faithful disciples of Jesus Christ. Book 1, Adam and Eve: Made in God's Image, explores God's vital revelation about the nature of created life, our unique relationship with Him, how He intends us to live in and enjoy His world and how we are to understand our salvation in Jesus Christ.

Unlike traditional recovery programs that only address the soul and body, RS4L includes healing strategies for all three parts of our being: spirit, soul, and body. Professional and lay counselors, pastors, and leaders may guide individuals who have experienced brokenness through their healing/recovery journey by applying proven strategies to their lives. Online, independent study is also an option.

The companion to Living in the Victory of Jesus!: Bible Lessons to Deepen Faith, this workbook is filled with exercises and activities to help students claim victory over life's turmoil, and become the champion that God created them to be.

Nothing provides the true follower of Christ with more profound and enduring satisfaction than turning from the limitations of self and this world to the unfathomable fullness of the living God. Nothing so directly affects the study of Scripture as one's understanding of what lies behind the little word "God." Nothing calls for such an entire consecration of the mind, heart, and will of the student as the study of this eternal Being, who is the cause and reason for all things. Nothing holds more practical value for the Christian than the realities of God's perfection. For twelve weeks, Behold Your God: The Weight of Majesty guides the reader through passages that reveal God's perfections: His incomprehensibility, self-existence, independence, transcendence, immutability, infinity and eternity, omnipresence, omnipotence, omniscience, wisdom, sovereignty, righteousness, holiness, wrath, goodness, love, patience, and zeal. The aim of this study is to provide the student with a tool for vastly enlarging his or her understanding of God in a manner that enlightens the mind, captivates the heart, and re-directs the will. Behold Your God: The Weight of Majesty is designed for individual or group study. This workbook may be studied alone, but is intended for use with a companion set of thirteen DVDs which reinforce the lessons of each week. God truly is a "sea without a shore, a sun without a sphere." Each of us stands before the boundless immensity of God's majesty. He commands us to know Him. He has provided all that we need to know Him through the redemptive labors of His Son, the illuminating work of the Spirit, and the Bible. A.W. Tozer wrote only the truth when he stated that God "can show a new aspect of His glory to us each day for all the days of eternity, and we have but begun to explore the depths of riches of His infinite being."
