When an Atlantean warrior and a British cat burglar both try to steal the same jewel from the Tower of London on the same night, the sparks will fly. When a power-mad vampire gets to the jewel first, they have to team up to save all shapeshifters ... and the world. A warrior's mission, a woman's desire... What could Christophe, powerful Warrior of Poseidon, have in common with Fiona Campbell, prim and proper Scottish illustrator of fairytales by day and notorious jewel thief known as the Scarlet Ninja by night? Answer: The Siren, a legendary Crown Jewel that Fiona has targeted for her next heist. It's said to be worth millions, but to Christophe it's invaluable.

As newfound passions fire their motives--and cloud their judgment--they realize they aren't the only ones after the priceless gem. A dark force is shadowing their every move, and threatening to shatter their trust with revenge, betrayal, and a haunting revelation about the past.
