order to decide whether or not this is the pet for you and, if it is, where to buy one, how to select your bird or birds, what you need to buy before you bring it home, and how to take proper care of it. The owner must know what Parrotlets require with regards to their environment. The cage and the necessary equipment is examined in this book as these all impact on the health and happiness of captive birds, especially active and intelligent ones like these. The Parrotlet is susceptible to the same bacterial, viral, parasitic and fungal infections and infestations that other birds may contract.
