Success on the Middle Level SSAT is a complete course to prepare for the Middle Level SSAT. This book provides the comprehensive test-taking strategies and content that students need to ace the test. It has undergone a major expansion and revision for 2017-18 to include instruction and practice for algebra and other math topics introduced by the test writers in 2016 in the Official Online SSAT Practice Program. A full-length practice test has also been added. The book includes: Vocabulary lessons that ask students to categorize words and derive meanings from roots so that they can handle anything on test day Math content lessons that explain the concepts and how they will be applied Detailed strategies and drills for the reading section One full-length practice test to prepare students for test day The Enrollment Management Association introduced several new topics in 2016 when it released the Official Online SSAT Practice Program. We have analyzed all of the latest official materials to bring you this revised edition including new and expanded sections of instruction and practice for algebra and other math topics. This book is designed both for students and families to use independently and for educators to use as a text with their students. While most other prep manuals mix together instruction for very different tests into one single volume, all of the material in Success on the Middle Level SSAT is specific to the Middle Level SSAT. Students can use this book confidently and independently without being distracted by material that is not relevant. Test Prep Works has developed two books specifically for the Middle Level SSAT, including: Success on the Middle Level SSAT -- Students benefit from the comprehensive content instruction, test-taking strategies, and practice provided in this book, including vocabulary lessons and drills, math content lessons and problem sets, reading strategies and drills, and one full-length practice test. The Best Unofficial Practice Tests for the
