Amazon.com: Still Waters: Sandhamn Murders, Book 1 ...

Our author accomplished that goal with Still Waters, the first book in the Sandhamn Murders series. The book has a strong sense of place with a few locations in modern day Sweden. The reader gets a feel for a Swedish summer with the population shift to the coastline and offshore islands. Sandhamn is an island reachable by ferry with a significant summer population and typical tensions between wealthy owners of second homes and fulltime residents.

On a hot July morning on Sweden's idyllic vacation island of Sandhamn, a man takes his dog for a walk and makes a gruesome discovery: a body, tangled in fishing net, has washed ashore. Police detective Thomas Andreasson is the first to arrive on the scene. Before long, he has identified the deceased as Krister Berggren, a bachelor from the mainland who has been missing for months. All signs point to an accident--until another brutalized corpse is found at the local bed-and-breakfast. But this time it is Berggren's cousin, whom Thomas interviewed in Stockholm just days before. As the island's residents reel from the news, Thomas turns to his childhood friend, local lawyer Nora Linde. Together, they attempt to unravel the riddles left behind by these two mysterious outsiders--while trying to make sense of the difficult

twists their own lives have taken since the shared summer days of their youth.

Attorney Nora Linde is asked by Detective Thomas Andreasson, a childhood friend, to help in a disturbing investigation. The apparent suicide of a university student turns into something more sinister: a thirty year-old cold case that someone wants to keep covered up.

It's a beautiful day for a regatta--until one of Sandhamn Island's most prestigious residents is killed aboard his sailing yacht. Oscar Juliander was a rich lawyer and deputy chairman of the prestigious Royal Swedish Yacht Club. While at first his death seems like a tragic accident, there is evidence of foul play. Police detective Thomas Andreasson teams up with local lawyer Nora Linde to investigate. As they work to uncover clues, they face resistance from an elite world where nothing but appearance matters. When the rich and powerful inhabitants of Sweden's idyllic island getaway come under scrutiny, Thomas and Nora must work closely and secretly to seek justice.

Sandhamn Island's archipelago is a beautiful place to visit. For a mother on the run, it's the only place to hide in a novel of escalating suspense by Viveca Sten, bestselling author of *Still Waters*. Building a case against Andreis Kova is a risky strategy for prosecutor Nora Linde. A violent key player in Stockholm's drug trade and untouchable when it comes to financial crimes, he has the best defense money can buy. To topple Andreis's empire, Nora's working a different angle. It's personal. Nora's critical witness is Andreis's wife, Mina--if she'll testify. Mina has suffered her husband's rage too long. It's nearly cost her her life. Still carrying the traumas of the Bosnian War, Andreis can be triggered like an explosive. He must be taken down. And as the trial looms, Mina and her infant son must disappear. The police have found her a safe place to hide on Runmar ö Island in Sandhamn's archipelago. But there's no shelter from a man as powerful and merciless as Andreis. Especially when he's being crossed. His campaign of terror has just begun. He's prepared to crush anyone who stands in his way: Mina, Nora, and everyone they know and love. Andreis is coming for them. This time, Nora is on the defense.

A shocking abduction rocks idyllic Sandhamn Island in an enthralling novel of suspense by Viveca Sten, bestselling author of *In the Heat of the Moment*. With the summer season on Sandhamn comes an unsettling mystery for Detective Inspector Thomas Andreasson. A bullied young boy has vanished from a sailing camp on neighboring L ö kholmen Island. Has the terrorized eleven-year-old run away? Or, in this isolated vacation spot where strangers lurk, is it something more ominous? The disappearance has also captured the interest of Thomas's longtime friend, attorney Nora Linde. The missing child happens to be the son of her latest client, Christian Dufva. He is a key witness against his partner in a high-profile embezzlement trial, and Dufva's testimony could be devastating. It'll also be Nora's biggest win--the next step toward a position as chief prosecutor. But with every anonymous threat against Dufva, the stakes get higher. When new evidence surfaces in their respective cases, new questions and fears arise for Thomas and Nora. Time is running out to resolve them. So is hope of finding the boy alive. Because on Sandhamn Island, the truth is buried as deep as the secrets.

What's a lie among friends? It's murder--in this riveting thriller by Viveca Sten,

Download Ebook Still Waters Sandhamn Murders Book 1

bestselling author of *Tonight You're Dead...* It's Midsummer's Eve, the celebration of the longest day of the year, and on Sandhamn it's the longest party of the year. But the fun comes to a dead halt when a young reveler is murdered, a teenage girl is found drugged and dazed on the beach, and other young women vanish. So far, what links the victims is a mystery. For Nora Linde and her new boyfriend, Jonas Sköld, the crimes are personal: one of the missing girls is Wilma, Jonas's daughter. And her disappearance could test Nora and Jonas's relationship in ways they never expected. Thrust into the investigation, they soon discover that it's more than a case of bad blood between friends. But the truth, which has receded into a haze of carousing, drugs, and liquor, is getting harder to see. If Nora and Jonas are going to find out what happened to Wilma, they'd better do it fast--before the ebbing tides sweep away all the terrible secrets of that night on Sandhamn Island.

When a body is discovered in her hometown, a young Swedish lawyer is called back home, only to become trapped in a perilous web of betrayal, suspicion, religious fanaticism, and death, in a suspense novel set against the backdrop of northern Sweden. Reprint.

Her father died before she was born, but Ella Benton knows they have a supernatural connection. Since her mother discourages these beliefs, Ella keeps her cemetery visits secret. But she may not be the only one with secrets. Ella's mother might be lying about how Dad died sixteen years ago. Newfound evidence points to his death in a psychiatric hospital, not as a result of a tragic car accident as her mother always claimed. After a lifetime of just the two of them, Mom suddenly feels like a stranger. When a handprint much like the one Ella left on her father's tombstone mysteriously appears on the bathroom mirror, at first she wonders if Dad is warning her of danger as he did once before. If it's not a warning, could her new too-good-to-be-true boyfriend be responsible for the strange occurrences? Or maybe it's the grieving building superintendent whose dead daughter strongly resembles Ella? As the unexplained events become more frequent and more sinister, Ella becomes terrified about who—or what—might harm her. Soon the evidence points to someone else entirely: Ella herself. What if, like her father, she's suffering from a breakdown? In this second novel from award-winning author Yvonne Ventresca, Ella desperately needs to find answers, no matter how disturbing the truth might be. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

When two cold case disappearances are reopened, a decade of deadly secrets is unearthed on Sandhamn Island in the #1 bestselling thriller by Viveca Sten, author of *In Bad Company*. A woman's skeletal remains are excavated on an uninhabited island in Sandhamn's archipelago, and Thomas Andreasson is called to officially investigate. But his best friend, Nora Linde, can't help but get involved. On leave after her last case took a dark turn, Nora is tortured by depression, nightmares, and guilt. Her marriage fractured, her pride chipped away, Nora could find redemption in this

investigation. Then evidence suggests two possible cold cases linked to the grim discovery: two women who have been missing for ten years. Now Nora feels compelled to unearth a mystery someone has gone to great pains to bury. What could have happened to require such a cover-up? As the cold case vanishings converge, Nora follows a twisting trail of revenge, blackmail, and betrayal. She's also inviting the watchful eye of someone determined to stop her. To free herself from the damaging grip of the past--and the reach of a relentless killer--Nora is going to have to brave the darkness one more time.

The tiny Swedish island of Sandhamn has always been a haven for lawyer Nora Linde. With trouble brewing in her marriage, she finds its comforts more welcome than ever, even in the depths of winter. That is, until her two young sons trip across a severed arm in the woods. The boys' gruesome discovery will once again connect Nora with her childhood friend Thomas Andreasson, now a local police detective. When the limb is identified as belonging to a twenty-year-old woman who disappeared without a trace months earlier, what had been a missing persons case takes on a whole new urgency. Nora and Thomas delve deeply into the woman's final hours, each of them wrestling not only with the case but with the private demons it awakens in them. As they do, they'll find themselves drawn into the history of Sandhamn and the tensions that have been simmering just below the surface for more than a hundred years.
