"There Was an Old Lady Who Swallowed a Fly" is a children's rhyme and nonsense song of a kind known as cumulative. The song tells the nonsensical story of an old woman who swallows increasingly large animals, each to catch the previously swallowed animal, but dies after swallowing a horse. The humour of the song stems from the absurdity that the woman is able to inexplicably and impossibly swallow animals of preposterous sizes, suggesting that she is both superhuman and immortal. However, the ad

Martha and her friends are sitting comfortably in Sweden... a little too comfortably. Determined to do more for their fellow pensioners-and jazz things up for themselves-they're up to their usual antics: bank robberies, money laundering, and figuring out how to disappear in a garbage-truck-cum-getaway-car. The surprising true story of Mexico's hunt, arrest, and conviction of its first female serial killer For three years, amid widespread public outrage, police in Mexico City struggled to uncover the identity of the killer responsible for the ghastly deaths of forty elderly women, many of whom had been strangled in their homes with a stethoscope by someone posing as a government nurse. When Juana Barraza Samperio, a female professional wrestler known as la Dama del Silencio (the Lady of Silence), was arrested--and eventually sentenced to 759 years in prison--for her crimes as the Mataviejitas (the little old lady killer), her case disrupted traditional narratives about gender, criminality, and victimhood in the popular and criminological imagination. Marshaling ten years of research, and one of the only interviews that Juana Barraza Samperio has given while in prison, Susana Vargas Cervantes deconstructs this uniquely provocative story. She focuses, in particular, on the complex, gendered aspects of the case, asking: Who is a killer? Barraza--with her "manly" features and strength, her career as a masked wrestler in lucha libre, and her violent crimes--is presented, here, as a study in gender deviance, a disruption of what scholars call mexicanidad, or the masculine notion of what it means to be Mexican. Cervantes also challenges our conception of victimhood--specifically, who "counts" as a victim. The Little Old Lady Killer presents a fascinating analysis of what serial killing--often considered "killing for the pleasure of killing"--represents to us.

Now 20 minutes later he sat at the kitchen table. Elbows straddling his half - eaten breakfast plate as he stared out the kitchen window just above the sink. He'd drunk half a cup of coffee before the questions began surfacing in his mind again. They were the same questions that had been troubling him for months now. It was a beautiful day, but he didn't care, he just kept thinking. "Who am I?" Brad asked himself for perhaps the hundredth time, "and how did I get here?" His mind was flashing back to a day he would never forget. He'd been married to Deana, a petite fiery redhead. She was Irish, one generation removed from the Emerald Isle. They had two children and what to everyone else like a pretty good life. He was a hard worker and loved his family and the happiness it brought him. Not that his life was perfect but it was his life and he knew where he belonged in it. Or had, until the day he'd come home from work to find his apartment nearly empty. Brad's life is about to change when he has a chance meeting with The Little Old Lady. Warren Gray lives in the Pacific Northwest with his family. When he is not writing he enjoys all the area has to offer such as camping, going to the beach, and taking in some of the professional sports that the region offers. He seeks to inspire others through his writing stories of everyday people that encourage others to grow their faith.
