Long ago it was said that “one half of the world does not know how the other half lives.” That was true then. It did not know because it did not care. The half that was on top cared little for the struggles, and less for the fate of those who were underneath, so long as it was able to hold them there and keep its

Jacob A. Riis

In *How the Other Half Lives*, New Yorkers read with horror that three-quarters of the residents of their city were housed in tenements and that in those tenements rents were substantially higher than in better sections of the city. In his book Riis gave a full and detailed picture of what life in those slums was like, how
