'IT'S NOT YET DARK' BY SIMON FITZMAURICE It is said when a person drowns they do so silently. There is a beautiful man, an awesome soul named Simon Fitzmaurice and he is drowning. His voice is the most vociferous voice I have read in quite some time. He is not drowning quietly. "Listen to me because I am drowning"

*It's Not Yet Dark*, a memoir, chronicles his experience living in a motorized wheelchair and communicating using an eye-tracking computer. The memoir was followed by the documentary *It's Not Yet Dark*, directed by Frankie Fenton. The documentary was narrated by Irish actor Colin Farrell.

### **Simon Fitzmaurice - Wikipedia**

"It's Not Yet Dark" does not go into the same excruciating detail concerning the day-to-day challenges of being confined the way the Gleason picture does, but it is equally frank in showing that, as pragmatic and upbeat and positive as Simon and Ruth and their family and friends try to be as they go about life and work, the disease and its effects have emotionally gutted them all, and continues to do so.
