Filofax is a company based in the UK that produces a range of personal organiser wallets. The organisers are traditionally leather bound and have a six-ring loose-leaf binder system. The design originated at Lefax, a United States company from Philadelphia which was exporting products to the UK. The company also markets a range of personal leather goods and luggage under the "Filofax" brand.

The Joker has skills in chemical engineering and weapon design that he uses to create deadly combinations that kill, maim, and torture his victims. He is responsible for the deaths of many people and has contributed to the mental breakdown of others as well, as was the case with Harleen Quinzel, a psychiatrist at the mental hospital Arkham Asylum where the Joker has been a frequent resident.
