What are Management  
Theories? Management  
theories are concepts  
surrounding  
recommended  
management  
strategies, which may  
include tools such as  
frameworks and  
guidelines that can be  
implemented in  
modern organizations

A traditional sports risk management program

can be effective by concentrating on your

facilities, equipment, instruction,

supervision, sport injury care, and use of

autos. And more attention should be

paid to severity risks that could possibly

result in serious injury or death.
