If the ebook is in the PDF format and you want to read it on your computer, you'll need to have a free PDF reader installed on your computer before you can open and read the book.

### Robert Kegan The Evolving Self

According to Robert Kegan, meaning-making is a lifelong activity that begins in earliest infancy and continues to evolve through a series of stages encompassing childhood, adolescence, and adulthood. The Evolving Self describes this process of evolution in rich and human detail, concentrating especially on the internal experience of growth and transition, its costs and disruptions as well as its triumphs.

### Amazon.com: The Evolving Self: Problem and Process in ...

Robert Kegan, the author of The Evolving Self and In Over Our Heads, explores the vital role of interior development in creating a more inclusive and integrated world, as well as the importance of the appropriate use of discriminating awareness. Robert Kegan is a founding member of Integral Institute and the author of the critically acclaimed books The Evolving Self, In Over Our Heads, and How the Way We Talk Can Change the Way We Work.

### The Evolving Self - Integral Life

Robert Kegan has created a new perspective of personality development, focusing on the dynamics of the evolving self. The perspective integrates two universal human processes--meaning-making and social development--into a scheme that can be used to derive testable generalizations and simultaneously inform the practice of therapy.
