in everyday life, intended to inform and entertain readers without requiring any mathematics background.

Struck by Lightning: The Curious World of Probabilities

This event was later recreated in the 2008 film *The Curious Case Of Benjamin Button*, in which Mr. Daws (played by Ted Manson) repeatedly claimed he had been hit by lightning seven times in his...

The Man Who Was Struck by Lightning Seven Times | by Joe ...

In *The Curious Case of Benjamin Button* the eponymous protagonist grows up in a nursing home where he meets Mr. Daws, a man who claims to have been "struck by lightning 7 times". In fact it's a recurring theme/joke when Mr. Daws tells him about yet another of those incidents, accompanied by some old footage, showing exactly that, a man hit by a lightning.

analysis - Why don't we get to see all the 7 lightning ...

Struck by Lightning: The curious world of probabilities | Jeffrey Rosenthal. *Struck by lightning* is an entertaining read which provides the reader with an insight into the curious world of probabilities. Normally, mentioning statistics and mathematics is a sure fire way to get someones eyes to glaze over, but Rosenthal somehow makes it mildly entertaining as he explains everything from gambling, elections and dating through to terrorist attacks, through the lens of mathematical probability.
