Tastes of Paradise presents a social history of Genussmittel (literally objects of pleasure, stimulants in English) in Western Europe, starting at the dawn of the Modern Age with pepper and salt, addressing the introduction of coffee, tea and chocolate as well as tobacco, and finishing with the popularization of liquor and opium in 19th century England.

» **Wolfgang Schivelbusch's Tastes of Paradise by Marian ...**

The book Tastes of Paradise by Wolfgang Schivelbusch is devoted to the history of human preferences in food and beverages. In addition, the author tries to link the food preferences of people at different periods of time to the social changes and historic events. The aim of this essay is to analyze whether the stimulants tasted by people change our social class and history.
