The Civil War was America's trial by fire; its battles forged the nation we know today. We're still fascinated with it - the national reckoning with slavery, the legendary generals and leaders, the epic and bloody clashes of armies, the impact on the daily lives of ordinary people.

The Civil War for Dummies by Keith D. Dickson

The Civil War was America's trial by fire; its battles forged the nation we know today. We're still fascinated with it - the national reckoning with slavery, the legendary generals and leaders, the epic and bloody clashes of armies, the impact on the daily lives of ordinary people. We visit its battlefields - mostly idyllic patches of countryside near small towns and creeks - where more Americans died in combat than in all other wars combined, except for World War Two.

The Civil War For Dummies ® | US History | General ...

A fter the election of 1860, only a few Southern states took the drastic step of secession. The actions of two leaders, James Buchanan, the outgoing president, and Abraham Lincoln, the incoming president, would determine whether other Southern states would follow. With very few options and time running out, both men sought to satisfy two conflicting conditions at the same time — to assert the rights of the United States and to avoid war.

Secession and War: 1860-1861 - The Civil War For Dummies

In the 1860s the northern and southern parts of the United States fought the American Civil War. The war started after 11 Southern states separated themselves from the United States and formed their own government. Their army fought the forces of the U.S. government. The Civil War threatened to break up the United States.

American Civil War - Kids | Britannica Kids | Homework Help

Fact #1: The Civil War was fought between the Northern and the Southern states from 1861-1865. The American Civil War was fought between the United States of America and the Confederate States of America, a collection of eleven southern states that left the Union in 1860 and 1861. The conflict began primarily as a result of the long-standing disagreement over the institution of slavery.

10 Facts: What Everyone Should Know About the Civil War ...

History >> Civil War Much of the Southern United States was destroyed during the Civil war. Farms and plantations were burned down and their crops destroyed. Also, many people had Confederate money which was now worthless and the local governments were in disarray. The South needed to be rebuilt.

Kids History: Civil War Reconstruction

The Spanish Civil War was very bloody. Between 500,000 and 600,000 people may have died, not counting those who starved or died from diseases. The foreign supporters of each side in the war fought each other again in World War II. That war started later in 1939, but Franco kept Spain out of the war. He ruled Spain as a dictator until his death in 1975.
