The established-outsider tension in Winston Parva implicit in the praise and blame associated with unemployment and other facets of social status was maintained from within by the self-supporting established (Scotson and Elias, 1994); however, viewed from outside, such self-affirming practices are regarded as illegitimate, as was the case highlighted in the aftermath of Hurricane Katrina in New Orleans, whereby outsiders' plight was identified by the media and subsequently resolved through ...

The Established and the Outsiders | Norbert Elias

In "The Established and the Outsiders", Elias and Scotson explain differences in power and rank between two very similar groups - both working class - in a local community studied in the early 1960s. They show how one group monopolised sources of power and used them to exclude and stigmatise members of the other, pinpointing the role of gossip in the process.
